As a Junior at Eastern Illinois University, I am training to be a Software Engineer with a primary focus in web development and iOS application development.

## EXPERIENCE

6/03/2019 – 7/31/2022

**SOFTWARE ENGINEER INTERN**, WOLFRAM RESEARCH INC.

Throughout my three years here, I have worked on various projects that have helped both myself and the company with day-to-day operations. My responsibilities as an intern were making various front-end changes to Wolfram Cloud, automating Windows 10 deployment, implementing and maintaining OpenDCIM, developing webpages for the Wolfram U webpage, and building various servers.

1/07/2022 – Current

**SHIFT MANAGER**, JIMMY JOHNS INC.

As a shift manager, I was responsible for maintaining the store's day-to-day operations and being a leader to my coworkers.
